

Ofose: Essays by Awo Falokun Fatunmbi

Ofose is a book of 35 compelling essays exploring the Ifa Tradition through the eyes of an initiated Ifa priest for over 26 years experience. Awo Falokun Fatunmbi shares insights and contemplations on a number of topics from Ifa Theology, Epistemology, Spiritual Forces, development of Good Character, and more. Awo Falokun is known for delivering highly esoteric information about the Ifa tradition in Africa and making it understandable in everyday language for westerners. Ofose is excellent for theological discourse on Ifa as a spiritual tradition and for deeper exploration for adherents.
