

Life: Living in Fulfillment Every Day

Are you living your potential in this life? Are you truly fulfilled? Or do you often wonder what's missing? Happiness is your birthright; your sole purpose in this life is to be happy and fulfilled. In LIFE: Living in Fulfillment Every Day, authors Annemarie Greenwood and Marissa Campbell provide a guide to help you find your own unique path to happiness and fulfillment. Through a fictional, spiritual narrative, LIFE reveals the knowledge and tools necessary to live in fulfillment and happiness every day. Grace, an enlightened teacher, guides Eve, an unfulfilled woman, on a journey of self-discovery and personal growth. The two women meet and spend a transformative day at the beach. Under the brilliant blue sky, amongst the sights and sounds of a small lakeside resort, they explore the path to LIFE. Grace gently guides Eve toward self-awareness and empowerment via detailed explanations, visualization exercises and thorough descriptions. Through Grace's teachings and powerful message, like Eve, you too may experience an awakened sense of purpose, compelling you to make the powerful decision to live an authentic life, one in which you no longer compromise your happiness but live each moment with passion, joy and delight.
