

## Easter: Not what you think!

The early church fathers did not call Jesus death, burial and resurrection Easter. Easter was a pagan celebration which worshipped a false goddess. Jesus fulfilled the requirements of Passover and Passover is what His disciples celebrated. To call the death and resurrection of Jesus Easter is going against Gods command to not even have a false gods name on our lips. (Exodus 23:13 And in all things that I have said unto you be circumspect: and make no mention of the name of other gods, neither let it be heard out of thy mouth.)
