

## Atlantida: L'Atlantide in English (Forgotten Books)

Book Description: This French novel of Atlantis in the Sahara made a huge splash when it was published. The exotic Saharan setting, the stories of desert survival, the overpowering allure of the last Queen of Atlantis, make a memorable, if a bit pulpy, read. Over a dozen films have been made of this plot, to the point where it is almost a subgenre of the lost-civilization adventure film in itself. The author was sued (and lost) at one point because the plot is fairly close to that of Haggard's *She*. However, it is thought Benoit had no exposure to Haggard prior to writing *L'Atlantide*, so this appears to be a case of literary convergent evolution. (Quote from sacred-texts.com)
