

Balloon to the Moon: A Guide to Vibrant Living

Balloon to the Moon is a compelling book about how you can become the magnificent being you are meant to be. This inspirational treasure will carry you on a rising tide of anticipation and excitement toward your full potential. Salve to harried twenty first century souls and a battle cry to the pure potential that lives within, Balloon to the Moon is a must read for anyone who has ever wondered if there was more to life. Memorable and thought provoking, Balloon to the Moon delivers its message in the kind of digestible chunks that even a person on the go can appreciate. It shows you exactly how to live from your exuberant core, gently directing you to a fuller, richer life. It shows you how to reconnect with your inner wisdom, with your real self, the self from which your authenticity and happiness flows. Balloon to the Moon gives you the keys to unlock your own inner potential, your own deep wisdom so that you get the answers that are always just right for you. It shows you how to soar.
