

The Light That Never Dies: A Story of Hope in the Shadows of Grief

I cannot remember the last time I was moved as deeply by a book . . . I will never look at human suffering the same way. Peggy Wehmeyer, host, The World Vision Report, former religion correspondent, ABC News In the prime of his life, William Hendricks lost his wife to breast cancer. Yet he could say, Give thanks to the Lord, for He is good. In a warm, gentle style, Bill shares Gods goodness and how it manifests itself in a variety of ways, including deeply personal pain. A powerful book more about life than death . . . I encourage you not to miss the journey. Kathy Peel, author, and contributing editor, Family Circle magazine [This book was] forged in the furnace of adversity. The power and light that will lift your soul from this book merge the rare combination of intellectual honesty and clear theological thinking poured through a broken heart. Youll be glad you read it. Chip Ingram, teaching pastor, Living on the Edge radio If you are in the midst of a trial or are desperately in need of hope, this is a must read. Mario Zandstra, president and CEO, Pine Cove Camps
