

# Bridesmaids

Few brides would dare to walk down the aisle without their bridesmaids close at hand. Almost every American woman has been a bridesmaid and experienced the dress (which, despite the bride's promise, will never be worn again), the dyed-to-match shoes, and the task of calming and comforting a nervous bride. For doing all that they do with a smile, bridesmaids deserve this lovely tribute. The intimate duotone photographs celebrate the friendship between a bride and her bridesmaids with beauty and poignancy. Captions such as *She's someone I can count on*, *She keeps me grounded*, and *She remembers things that I forget* let bridesmaids know just why they are so special. Bridesmaids will treasure this special keepsake long after they have sent the dress to Goodwill.
