

Charleys War (Vol. 10) - The End

In the final explosive volume of never-before-collected comic strip, including for the first time reproductions of strip pages from Joe Colquhoun's original artwork, we finally reach the epic conclusion of Charley's story, and the harrowing final days of World War I. The tenth action-packed volume of Charley's War is rich in the detailed minutiae of the terror-punctuated existence of a Tommy, and includes a feature on the Treaty of Versailles and Germany's capitulation.
