

# Identity: A Compass for the Adventure of Life

Identity is a personal development book challenging people to seek out unchanging guideposts for their life instead of the road maps of others. Using the metaphor of a compass, the author takes readers on a journey to discover their own definitions of Identity, Permission, Courage and Generosity and limitless places this tool can take them. Immensely readable and accessible to average readers and business leaders alike, Identity is like a trusted travel guide for the adventure of life.
