

Advice delivered with sense and sensibility just in time for the major motion picture *Becoming Jane* View our feature on Austen-inspired books and special content. Women have looked to Jane Austen's heroines as models of appropriate behavior for nearly two centuries. Who better to understand the heart of a heroine than Austen? In this delightful epistolary "what if," Austen serves as a "Dear Abby" of sorts, using examples from her novels and her life to counsel modern-day heroines in trouble, she also shares with readers a compelling drama playing out in her own drawing room. Witty and wise—and perfectly capturing the tone of the author of *Persuasion* and *Pride and Prejudice*—Dear Jane Austen is as satisfying as sitting down to tea with the novelist herself.
