

Fading Away (Hardest Mistakes) (Volume 1)

One night. One stupid mistake. Changes everything. SAMMY STEVENS was tragically orphaned at the age of nine and sent to live with a foster family in the town of Miakoda Falls. Shes constantly bullied at school by the arrogant, selfish, one and only KAI JORDAN. Kai is your typical entitled teen whos on the verge of attending a university and having everything he ever wanted handed to him. But all that changes when he is involved in a car accident after a night of partying Hes suddenly and painfully brought into the world of the supernatural. Kai turns to the last person he ever wouldve expected, Sammy, as he struggles with his new identity and watches the people closest to him move on. And he is forgotten. As Kai and Sammy grow closer, Kai must figure out a way to either fight to stay human or risk being stuck forever, as a prisoner of his own body
