

Bound (Fireborne Trilogy) (Volume 2)

Maya, Cayne and Matt are now in hiding from the mysterious Order which seeks to hunt them for the mystical properties within their DNA. However, the trio know they cant hide forever. With the help of a special kind of teacher and new friends, the three teens must learn to defend themselves at all cost. Cayne especially must come to terms with who he is, and unlock his own secret nature, or all could be lost.
