

Haunts of the Southwest

Explore ghosts and mysteries across the American Southwest. Learn about the traveling rocks of Devil's Racetrack in Death Valley. Experience the spirits of criminals in the Yuma Territorial Prison, and find out the strange way one prisoner escaped. Stay the night in the St. James Hotel and encounter spirits that mingled with the likes of Jesse James and Black Jack Ketchum. Take a journey to Elizabethtown where the resident ghost was a serial killer in life, and possibly in death. Enjoy a drink in Virginia City where the dusty miner sitting next to you may just be a ghost. Find out why you may want to avoid driving on Route 491, at least when you're alone. The Southwest has haunts for you, from an old ghost town to the local corner store.
