

When Roz McNeil became a child of God He opened up a whole new life for her. It is full of wonder and excitement. He taught her His truth and how to stand on His word. God continually shows her what can be accomplished in and through His Holy Spirit in the name of Jesus! His Holy Spirit continually mentors her throughout every aspect of her life, for which she is eternally grateful. The love that God has for each one of us is indescribable! God told Roz to share with others how the choice of unforgiveness drastically alters our relationship with Him. Unforgiveness is opposite to what God feels and does; of who He is. She wrote this book through revelation, personal experiences, the experiences of others and, most importantly, through the knowledge of what God's word says about this subject. Whether you are someone who has become a child of God or not, this decision affects your life in a negative way. Roz's greatest desire is to be one who "walks with God." Roz lives in Missouri with her husband Doug. They have been blessed with two grown children: a son and his family and a daughter and her husband.
