

# Gourmands on the Run!: A Gourmet Travel Journey from Paris to Monaco

Dame DJ is English, and together with her partner, S, a New Yorker who loved great food and wanted to sample the best dining in France, now tells us their story. He thought France was small, and that the best hotels and restaurants from Paris to Monaco would be waiting for them. She thought she could eat and relax, and the trip would be a breeze. They were both wrong! They hired a car and drove from Paris to Monaco, through the special Loire Valley, visiting the magnificent Chateaux Amboise, Chambord, Chenonceaux, and Montrichard, down through romantic Provence, and on to the glamorous Cote dAzur, staying at Relais Chateaux along the way. Gourmet dining at some of the worlds most famous places, including Maison Troisgros, Chateau de Codigant Colombe dOr, and the wonderful Bernard Loiseau, made it the trip of a lifetime, but reality soon took over. It opened up a whole new world of sensations, discoveries, joys, hardships, illness, intensity, beauty, talents, and artistry, all unique to France, and so they became Gourmands on the Run! Arriving hot, tired, hungry, and with and without reservations; ordering from oversized menus; and paying some heavy prices, they were welcomed and looked after like long lost family, one night at a time. They drove, they ran, they ate, they packed, then they unpacked yet again...and with every minute, we are right there with them, along for this amazing ride.
