

You Dont Know Me

Would you ever betray your best friend? On TV, in front of millions? Sasha Bailey did. Everything was good. Four girls in a band, singing together. Even better ... getting to the finals of Killer Act. Right up until the judges say one of them has to go. Beautiful, talented, fat Rose. Suddenly, the internet is full of messages of anger and hatred. Sasha becomes famous for dropping her friend. All wrong, but how can she put things right? And will Rose find a way to forgive her?
