

# NO REMORSE

When Greg Mox murdered both of his loving adoptive parents, he bludgeoned them, slashed their throats, poured gasoline on their bodies and set them on fire. Media always asks why when such crimes occur but rarely have answers. The author investigated and interviewed Greg Mox over time and has given him a voice to explain in his own words WHY he did it. Chapters detail his adoption story, family relationships, the murders, his trial, and his search for his birth family.
