

Popeye, Vol. 4: Plunder Island

Popeye's most legendary and epic adventure highlights this volume of our acclaimed series, pitting the intrepid sailor man against the malevolent Sea Hag and her terrifying, grotesque sidekick the Goon, aided (or hindered) by Wimpy. With this fourth volume of our beloved series, Segars Popeye reaches one of its highest peaks in Plunder Island, the glorious, epic-length Sunday-continuity adventure that ran for eight months and pitted the intrepid sailor man against the malevolent Sea Hag and her terrifying, grotesque sidekick the Goon, helped, and sometimes hindered by, the easily corruptible J. Wellington Wimpy. Plunder Island is presented here for the first time in its complete, full-color, uncut glory! Meanwhile, in the dailies section of Popeye Volume 4, Popeye visits Poodleburg and gets involved in a quest for both Romance and Riches. Other stories include Unifruit (featuring the return of King Blozo), the western epic Black Valley (with the unforgettable sight of Popeye in drag), The Pool of Youth (featuring the return of the Sea Hag... and her sister!); and the beginning of the extended six-month-long yarn Popeye's Ark! Comics historian Richard Marschall rounds off this volume with a long article on Segars' storytelling skills and narrative strategies, focusing in particular on the Plunder Island sequence. Rediscover an American treasure in this handsomely designed series to be enjoyed by comic fans of all ages. 84 pages of color comics; 84 pages of black-and-white comics
