

Taste of Scotland 2002

This comprehensive guide is packed with places to eat and stay across Scotland. This is the guide to help you find the very best eating places in Scotland. No other guide offers such a comprehensive range of places to eat and stay across Scotland and the Islands -- from small individually run tea and coffee stops to some of the finest dining experiences in the country. Taste of Scotland appreciates how important every meal is to you -- and so we have ensured that one of our team of qualified food Inspectors has taken at least one meal in every establishment listed within this new fully revised Guide. This inspection is completely independent and we only include establishments who have met and exceeded our criteria. All establishments listed in this new Taste of Scotland Guide have at least one thing in common -- a complete commitment to the use of fresh, skillfully prepared and presented Scottish produce. In this way, you can have confidence in your choice and take the guesswork out of selecting places to eat. Enjoy experiencing a Taste of Scotland 2002.
