

Seven Summits: The Quest to Reach the Highest Point on Every Continent

The desire to stand on top of the highest point on each of the seven continents has fired the imagination of climbing enthusiasts from around the globe. Completion of this amazing feat, known as the Seven Summits, demands much of the climber from traveling to remote locations to facing extreme weather to climbing some of the most dangerous mountains in the world. Seven Summits provides a compelling and personal look at the heroism of these climbers and the mountains that inspired them.
