

## Shadow on the Stairs

Joe and his dad move into a creepy new house when his parents split up. The house is said to be haunted, but Joe doesn't believe in ghosts. His dad's girlfriend, Diane, does believe in ghosts - and with good reason, too! Joe comes up with the ultimate prank to get Diane out of the house - but soon the prank becomes all too real. Can Joe put aside his dislike of Diane in time to face the shadow on the stairs? Spine-tingling tale that will chill even the bravest of readers.
