

The Broken Strongman: How a Former NFL Player Survived Infidelity and a Divorce

Too often its only the stories of betrayed women that are told. In the Broken Strongman, Davison shares with aching honesty the pain of being a betrayed man. In such a situation, its not only the husband who is deeply injured by such behavior; the children suffer, as well, and are even less prepared to deal with the pain. But hope, healing and victory may be found in the love of Jesus.
