

The Christian Home

The Christian Home course is to define a Christian home in accordance with biblical principles. Students will look at the functions of the home and will study the Bible as it addresses the functions and responsibilities of family members. As a result of this study, the students will know how to define a Christian home, how to use Scriptures to strengthen the home, and how to understand the Lord's purpose for the home. The book for the Congress of Christian Education, National Baptist Convention USA, Inc. course #8039, The Christian Home, is *The Christian Home By God's Design*. This book was written by Dr. Ken Wilson. Dr. Wilson's book can be purchased at amazon.com. This workbook entitled, *What Is A Christian Home?* is a companion for course #8039. I used this workbook in the Chickasaw District Congress of Christian Education (Oklahoma). I would also like for you to pick-up a copy of my book entitled, *How To Choose A Worthy Mate and Find True Love*. In, *How To Choose* I go to great extent to define love and marriage in this book. You can purchase both of my resources at amazon.com.
