

# The Further Adventures of Jimmie Dale

Frank Lucius Packard (1877-1942) was a Canadian novelist. He was born in Montreal, Quebec and as a young man went to work as a civil engineer for the Canadian Pacific Railway. His experiences working on the railroad led to his writing a series of mystery novels, the most famous of which featured a character called Jimmie Dale; who first appeared in the novel *The Adventures of Jimmie Dale* in 1917. He was a wealthy playboy by day, but at night put on a costume and became *The Grey Seal*, who enters businesses or homes and cracks safes, always leaving a grey seal behind to mark his conquest, but never taking anything.
