

The Haunt of Grace: Responses to the Mystery of Gods Presence

From the pen of one of today's most visionary spiritual thinkers comes a book of profound explorations on the mysteries and marvels of faith, love, and life. Believing that mystery is at the very heart of faith, Loder delves deep into the sneaky ways God surfaces in the middle of everyday experience. In fourteen chapters crafted from his best-loved sermons as Senior Minister of the First United Methodist Church of Germantown (Philadelphia), Loder's persistently evocative images call us to live in this scarred, beautiful world differently, to find a truer, more compassionate place in it. This is not a book for the timid or complacent; it's one of the most exciting spiritual reads you'll come across in a long time.
