

The LAUGHalachian Trail: A Green Zealots Uncensored Celebration of Thru-hiker Humor

A thru-hike on the 2179-mile Appalachian Trail is like an experiential comedic play that lasts for months. Thru-hiking cast members are hairy, emaciated, hilarious. And its not just their serial-killer look that makes them so funny. Its also their repartee, delusions of awesomeness, voluntary celibacy, dietary excesses, and so much more. This book celebrates hiker humor in all of its guises - surreal, frivolous, morbid, and even scatological.
