

The Priest & The Princess: Part 19: Tick-tock, tick-tock. Times up!: Holy Land high-stakes standoff and nuclear briefcase bombs

Diffusing nuclear bombs is above the realm of most people, but when it became necessary, Hoppy, a Djinn (genie), decided to lend his superhuman powers. Suddenly the trio find themselves in a tussle between Arab shepherders and Israeli paratroopers. Everyone seemed locked in shock as a vicious sandstorm sweeps through. Kennerly has been watching the goings on via the US drone positioned in the area. Kennerly decides to take control of the situation, and the nuclear briefcase-bomb, much to the chagrin of the Israelis. Coonel Eddy Zimmerman from the Shin Bet, now Mossad, the Israeli Intelligence Agency steps in as well, as the situation heats up. An unexpected marriage proposal from Ryker to Tiara tops off the high-stakes intensity of the Holy Land stand-off. Then it was off to the JFK Monument as all the groups decide its more prudent to work together given the stakes they all face. But will this holy alliance last long enough. And where is Sasha in all of this?
