

The Seer Devotional And Journal

Make the journey even more exciting with this 40-day journal. Jim Goll's *The Seer* gives practical revelation to the role of the seer, which is open to everyone. It brings the reader into an entirely new dimension of communication with God. The questions and meditations in this companion guide put the book's principles into true life-application. It will help you practice intimacy with God and experience the power of that fellowship. Take a 40-day journey toward a new dimension of Christian life: Meditate on the principles of the book. Apply the patterns of scripture to your life. Appropriate God's anointing to a higher level. Journal your steps of growth and victory. This journal and study guide can be used by individuals or in small groups while reading *The Seer*. It is also a great follow-up to the book.
