In this beautiful book the authors have told the story of Sinclair Oil, tracing its history through pictures of various marketing items, now highly collectible. Included are over 350 color photographs of early and rare Sinclair pump globes, colorful and interesting Sinclair signs, Sinclair cans emblazoned with Dino, Sinclairs beloved mascot dinosaur, fabulously restored gas pumps, old station photos, toys, trinkets, and hundreds of other items. A value guide for each item is included, along with insights which will help the collector appreciate the historical value of these unique collectibles.
