

Spiritual Discernment

Listen to the prayer of the apostle Paul for his beloved church in Philippi: This I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of full knowledge and all perception that ye may prove [or, distinguish] the things that differ (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address during his latter years of ministry. This present volume, entitled *Spiritual Discernment* is composed of three parts: *Abound in Knowledge*, *Abound in Discernment*, and *Approve the Excellent*. The publishers were able to acquire these notes in Chinese recently, and they have now been translated into English for sharing with the English-speaking saints. May these notes help many in meeting the pressing need of today.
